NEW BOARD
1/2

This is the whiteboard. You can use this space to work on **problems** with your tutor. Whatever you draw here will be seen by both you and your tutor.

Creates a new whiteboard

The arrows move between whiteboards

Current Whiteboard

These are the whiteboard drawing tools.			
Tool	Example	Tool	Example
draws an oval		draws a filled oval	
draws a rectangle		draws a filled rectangle	
draws a line		writes text on the whiteboard	write text on the whiteboard in different colors
color selector click and hold to change colors		Pencil drawing Tool	<i>My Name</i>
works like the pencil, but it erases what is on the whiteboard		Math Typesetting Tools These tools are for writing mathematical equations	$f(x) = \frac{x^2 + 3x + 5}{x + 1}$

Displays the Current Color
